Friends And Enemies: Fortunes Of The Black Hills, Book 4

Synopsis

ROBERT FORTUNE IS THE LAST ONE TO COME HOME. Robert is not like his father, the legendary Brazos Fortune. Not a businessman like his brother Todd. Not a notorious retired gunslinger like his brother Sam. Nor the social darlings of the Black Hills like little sister, Dacey June. He's a career soldier who no longer has a career. With the discipline of a West Point graduate, and the rock solid faith his long-departed mother, Robert moves his family to Deadwood to join the rest of the clan. And in Deadwood, Robert finds not only his place as a railroad detective but a fistful of enemies, all seeking vengeance against him and his family. --This text refers to the Audio CD edition.

Customer Reviews

I really enjoyed reading these books. It was my first time reading this author. I'm not into westerns very much but his writing kept me reading! I enjoyed reading about the Fortune family their trials and their victories! Their families. I also liked when they would talk about the Lord and His plan for their lives. A fun read.

Robert Fortune and his family pull up stakes from his military life and moves to Deadwood, SD. The rest of his family have previously moved into Deadwood, and Robert finds himself having to live up to family expectations or more of his own. Delightful reading with the Fortune family; expect adventure! Be sure to get the first 3 books in this series if you have missed them. 1. Beneath a Dakota Cross 2. Shadow of Legends 3. The Long Trail Home

This book was purchased as a Christmas gift for my son. He has other books written by Stephen Bly and I figured I could not go wrong and I was right.

I have read the whole series, I'm on the last book now. They are a great read if you like western novels. They are exciting and keeps you interested. Steven Bly is a great author. Love the books.
