The King Of Shabbos: And Other Stories Of Return

Synopsis

How often do you read a story that makes you laugh out loud or wipe tears from your eyes? It's rare to find honest writing that is powerful, moving, and inspirational, but words that come from the heart enter the heart. From master storyteller Zalman Velvel comes *The King of Shabbos and Other Stories of Return*, a collection of eighteen powerful, inspirational stories, each with a common theme—the return to simple Jewish values and spiritual meaning. As you read Zalman's tales, you will come to intimately know his characters, some of whom you may recognize from your own life, and some of whom may even remind you of yourself. You will grieve with them in their sorrows, and feel joy as they experience spiritual awakening. And regardless of your age, background, or circumstances, their stories will become a part of you—and your life will be richer for having met them.
