# Workbook For The ESL Writer's Handbook (Pitt Series In English As A Second Language)

## Synopsis

This workbook accompanies The ESL Writer™s Handbook by Janine Carlock, Maeve Eberhardt, Jaime Horst, and Lionel Menasche (ISBN: 978-0-472-03403-0). The Workbook extends the topics covered in the Handbook to enable a teacher to use the books as the core texts in an advanced ESL writing or first-year undergraduate composition course. The Workbook provides 78 additional exercises to facilitate students' understanding of some of the most complex or troublesome writing areas discussed in the Handbook. An icon appears in the Handbook next to a heading or exercise to alert the teacher or student that extra exercises on this topic are available in the Workbook. The teacher may wish to assign Workbook exercises as homework or use them in class with the exercises in the Handbook.

## Customer Reviews

This has some useful exercises to accompany the The ESL Writer's Handbook (which is excellent), but it could have more exercises.. it is rather thin; each topic includes only 1-2 tasks. It's really handy to have some practice along with the handbook; so I recommend having this if you are an ESL student using the handbook... but this alone won't give you sufficient writing practice.

It's great. The use book seem pretty nice. almost the new that only few page had be written by pencil.

Useful but a little bit of expensive.
