Customer Reviews

Without naming them, includes the philosophy of Law of Attraction, psychology of Positive Thought, instructions for Creative Visualization, how we create our own reality, how to train yourself to have shortcuts for manifesting your dreams and being of service to the divine. I recommend it for anyone interested in spirituality and/or the above. This audio is well paced and read. The CDs are perfect for listening to while driving.

My husband and I started listening to this audio book of The Flute of God and we just can't get enough. We feel uplifted, more aware and positive each time we listen, even if for only a few minutes. Love the recording, the voice-over is melodic and engaging. Even if you do not grasp all the concepts at first, don't worry! We just keep listening! It is delightful and it all just comes together so perfectly. It is so easy to listen and learn amazing principles and how the universe works.
