Lord Marksman And Vanadis Vol. 1

Synopsis

The fantasy epic that inspired the fan-favorite anime series is now an ongoing manga series! The country of Zhcted is ruled by seven women known as the Vanadis, a group of warriors who are given powerful weapons and dominion over the country's seven territories. Taking advantage of its neighboring nations' civil unrest, Zhcted goes to war against the country of Brune. In a battle that decimates Brune's army, the brave, young Brune nobleman Tigrevurmund Vorn meets the beautiful Eleonora Viltaria—one of the Vanadis. Impressed with his skill as an archer, Elen allows Tigre to live in exchange for his servitude. But the battle is far from over, and extends further than either of them could have imagined. Tigre and his new mistress become caught in the middle of a plot that threatens not only their homelands, but the entire world.
