Legacy Of Kings (Blood Of Gods And Royals)

Synopsis

Royalty. Magic. Love. Betrayal. It's in Their Blood. Alexander, Macedon's sixteen-year-old heir, is on the brink of discovering his fated role in conquering the known world. Katerina must navigate the dark secrets of court life while keeping hidden her own mission: kill the queen. Jacob will go to unthinkable lengths to win Katerina, even if it means having to compete with Hephaestion, a murderer sheltered by the prince. And far across the sea, Zofia, a Persian princess, seeks the deadly Spirit Eaters to alter her destiny.

Eleanor Herman's LEGACY OF KINGS puts the epic in epic fantasy. It is an absolutely riveting story rich with detail, brimming with secrets, magic, betrayal and deception, and filled with treacherous journeys, deadly battles, political machinations, and hidden agendas and motivations. And with a number of intriguing characters whose points of view readers will get to experience, it is a thrilling start to a series that looks to be even more amazing. Set in 340 BC, in Macedon and Persia, the story follows a number of different characters who have a key part to play in the young life of one of history's greatest conquerors, Alexander the Great of Macedon. Each character's story and life intertwines with his in ways that are revealed or are yet to be revealed. Whether family, friend, betrayer or enemy or someone whose role or allegiance is still to be determined, each of their stories is gripping, action-filled, exciting and completely captivating. Among them are Kat, a

peasant girl, whose affinity for animals and lifeâ€™s mission are secrets she must keep even if it drives a wedge between herself and the boy she loves; Cyn, Alexâ€™s half-sister, whose goal is steeped in treachery and betrayal; Queen Olympias, Alexâ€™s mother, whose secret desires are deadly; Heph, his best friend, whose pride and doubt could threaten to destroy everything he has; and Zo, whose wish to change her fate could lead to her ruin and that of everyone around her. Alex, whose leadership and skills on the battlefield have yet to be tested, must prove that he can identify his enemies, uncover the plots against him, defeat those who seek his assassination, and defend his kingdom.
