The Flute Of God

Synopsis

Now this book can show you the truth about yourself as Soul: We can look forward to a greater life than merely reliving former experiences, by becoming a conscious Soul handling the environment, body, life, spirit, or whatever you might call the ECK power, and participating in events of our own creation. Then life becomes the pleasure it should be and could have always been. (chapter 1)

Discover the secret of imagination, the divine faculty of Soul which you can use to transform your life. Learn the seven fundamental spiritual laws which allow you to create your future in harmony with the universal Spirit, for the highest good of all concerned. If you want to master your destiny and become a conscious Co-worker with God, this book can show you how to do it - by listening to the guidance of Divine Spirit. Eckankar is ancient wisdom for today. Its teachings, which resurfaced in 1965, emphasize the value of personal experiences as the most natural way back to God.

Whatever your religious background, they show how to look and listen within yourself - to expand your consciousness and enjoy spiritual freedom. See for yourself - perhaps for the first time - how to lead a happy, balanced, and productive life. And put daily concerns into loving perspective.

Customer Reviews

According to Paul Twitchell, the author of The Flute of God, Spirit or Divine Spirit is a creative Current from the heart of God, which creates, sustains and dissolves all matter in due course. This Spirit can be seen as Light and heard as Sound by whoever is open to it. We are totally dependent upon this Divine Current of God. But most people are unconscious of this fact. To work with this Spirit to better our lives, we need to understand its nature and laws. For instance, the Law of Cause

and Effect is a fixed law of the Holy Spirit that must be obeyed by all or adverse consequences would follow, according to Twitchell. We are all made in the image and likeness of God; that is the higher side of every human being. This is what Twitchell calls Soul. According to him, when we identify with the body, we become paralyzed with fear and so cannot enjoy the best of life that the children of God are entitled to and capable of. This is clearly stated on page 140: "The true purpose of any seeker is to know Soul as his beingness. This leads into wisdom and one becomes immortal. Those who know that the source of intelligence is Soul, attain immortality; those who do not know it remain attached to the material body and senses and are therefore subject to birth and death. Become conscious of the immortal Soul. When this consciousness of the immortal self is gained, all fear vanishes. Fear of death rises from ignorance, which makes us forget our immortal nature and identify ourselves with the material body, which is subject to death." This book is to be read several times before one could absorb all the esoteric wisdom within its golden pages.
